Jason, Green Valley's new Premier Chef will be preparing a special menu and we will also have live jazz as part of the evening's entertainment. We are raising awareness for 4 local charities on this evening and would like for you to be our special guest. The local charities are the Leukemia & Lymphoma Society, Humane Society of the North Bay, First Tee of Solano, and the Jimmy Doolittle Museum. We look forward to seeing you on September 22nd.
